Expenses	-\$0.00	Publisher	John Lee
Total on deposit	\$735.72	Webmaster	Dan Hittenmark

## President's Message:

Although Michigan has been known to have a few March/April snow storms I am somewhat confident that this months meeting should be ok..... (famous last words) Ha Ha!!

March's meeting should be pretty busy with Phil's new T shirts for the club. (don't forget to bring your money!)

Steve will be collecting the Radial 5 engine parts, and may need a few more pieces made. A date for assembly will need to be discussed.

We will be having 2 tables at N.A.M.E.S. for the club!!! We will need projects to show! Done or not, it's great to have them there.

Other shows this Summer will be 2 different "makers Fairs", CNC workshop and NAMES, just to mention a few.

Karl will be bringing in the Scotch brite wheels for those who were buying them, and should have fliers for NAMES.

Well, I hope that I didn't forget anything, so we will see ya at the meeting! Rick

**Next meeting:** 3-10-10 7:30 PM Macomb Community College South Campus North Lobby of S Building. Please check the sign on the door to see if there is a room change.

Bring in you fusion reactors and other alternative energy devices to the meeting.
