Hello everyone and welcome back to the latest edition of the MDMC newsletter. I hope this edition finds you well, enjoying the nice summer weather and working on something fun.

Please mark your calendar for **our next meeting this coming Wednesday, July 12 at 7pm**. Also, get ready for our August meeting which is our popular engine run and swap meet held in the MCCC parking lot. Clear out those unneeded tools and supplies and bring 'em to the sale/swap at next month's meeting. Dust off those model engines, and bring them to show off and run! Check out the club website for a detailed map, back issues of this newsletter, and lots of other club information. Also, a show and tell is a part of nearly all of our meetings, so whatever you are working on, finished or in process, bring it to the next meeting to show it off. Members are always interested in the wide variety of metalworking projects that we are working on.

Also, at our last meeting an election of officers was held. The results are as follows;

Steve Huck – Club President

Kurt Schultz- Vice President

Karl Gross – Co- Treasurer

Ken Hunt – Co- Treasurer

Jim Mulcahy – Recording Secretary & Newsletter editor

Our Club received the flyer pictured below with news about an upcoming show and this additional show information provided by the show sponsors; This show is scheduled for Saturday October 14<sup>th</sup>, located in the large city park pavilion located at 421 Monroe St. in Monroeville Indiana 46773, just south and east of Fort Wayne, approximately 7 minutes from food and lodging. This is a free show, free to exhibit, free to attend and free to vendors (though a free will donation will be accepted).

Bring your engines, your projects, show off your hobby engines, trains, machinist projects, RC... just about anything goes! Food and beverage on site, this is a city park with a playground and parking right at the pavilion.

As long as you're coming, bring a few friends with you!

**Monroeville, Indiana**
