### Our Next Meetings

Generally the 2nd  
Wednesday of each  
month at 7pm.

-Wed. Sept. 13, 2023

-Wed. Oct. 11, 2023

### *Location;*

Macomb Community  
College  
South Campus (12mi &  
Hayes)  
14500 E. 12 Mile Road  
Warren, MI 48088-3896  
"M" Building, Room 123

Hello everyone and welcome back to the latest edition of the MDMC newsletter. I hope this edition finds you well, enjoying the last days of summer weather and working on something fun.

Please mark your calendar for **our next meeting this coming Wednesday, September 13 at 7pm.** This **September** meeting will be held inside of the "M" building in our regular location. Remember, show and tell is a part of nearly all of our meetings, so whatever you are working on, finished or in process, bring it to the next meeting to show it off. Members are always interested in the wide variety of metalworking projects that we are working on.

A big "Thank You" goes out to all of our members who came to the August meeting, and especially to those who brought items for the swap/sell. We had great weather and enjoyed some hot dogs right off the grill and some snacks and soft drinks as well.

Hope to see you all at our next meeting this coming Wednesday!

### AUGUST MEETING NOTES

Our August meeting was not a formal meeting so no official notes were taken, but instead this meeting was our annual Swap Meet and hot dog roast, held in the MCCC parking lot. Several members brought a wide variety of metalworking items for the swap/sell. See the photos on the following pages. Members even brought a couple of model engines that needed some adjusting and troubleshooting to get running.

Our club members at the grill fixing their hot dogs and enjoying the snacks.

Two model engines, brought by members.

Some of the items available for the swap/sell are displayed on the tailgates of the trucks in the photos.

Several club members looking over the model engines

Some serious model engine troubleshooting!

Club members enjoying hot dogs, snacks and fellowship!
